Introduction

We appreciate the opportunity presented by the NALT Nigeria Economic & Empowerment Committee to submit our proposal for designing a website solution for Liberated Tigers Multipurpose Co-operative Society. Our team at Goallord Creativity is committed to delivering high-quality services that align with the unique needs of our clients..

Scope of Work

Our proposed website solution will encompass the following key features and functionalities:

1. **Custom Website Design:** We will create a visually appealing and user-friendly website design tailored to the branding and objectives of Liberated Tigers Multipurpose Co-operative Society.
2. **Responsive Design:** The website will be optimized for seamless viewing and interaction across various devices, including desktops, tablets, and smartphones, to ensure a consistent user experience.

3. **Content Management System (CMS):** We will integrate a robust CMS, empowering administrators to easily update content, manage memberships, and oversee other website functionalities without requiring technical expertise.
4. **Membership Management:** Implementing a secure membership portal where members can register, renew memberships, access exclusive content, and communicate with the society's leadership.
5. **Online Payment Integration:** Seamless integration of secure payment gateways to facilitate online transactions for membership fees, donations, and other financial activities.
6. **Resource Center:** Creation of a resource center to host documents, reports, and other relevant materials for easy access by members and stakeholders.
7. **Events Management:** Integration of an events calendar to showcase upcoming events, meetings, and workshops organized by the society.

Timeline and Deliverables:

Upon acceptance of this proposal, we estimate a timeline of **2 weeks** to complete the project. Our deliverables will include

- Initial consultation to gather requirements and preferences.
- Design mockups for client review and feedback.
- Development and implementation of the website solution.
- User acceptance testing and final adjustments.
- Training session for administrators on website management.
- Launch of the website.

Price Quotation:

Our proposed cost for designing and developing the website solution for Liberated Tigers Multipurpose Co-operative Society is **four hundred and fifty thousand naira (₦450,000)**. This includes all the features and functionalities outlined above, along with post-launch support and maintenance.

After Sales Customer Service:

We are committed to providing excellent after-sales customer service to ensure the smooth operation and maintenance of the website. Our support team will be available to address any queries, technical issues, or update requests promptly.

Conclusion:

In conclusion, we believe that our comprehensive website solution will effectively meet the needs and objectives of Liberated Tigers Multipurpose Co-operative Society. We look forward to the opportunity to collaborate with the committee and contribute to the society's success. Should you require any further information or clarification, please do not hesitate to contact us.

Sincerely,
